

Lely Horizon ***Sales tax rules***

Dear customer,

Because your company is located in the U.S.A. Lely North America Inc will apply the local sales tax rules on the invoice. These rules differ per state and depend on Lely North America Inc exceeding certain thresholds (turnover and/or number of transactions). Also the rate of sales tax depends per state and municipality. Lely will ensure the correct sales tax is applied to the Lely Horizon invoice. For more information, please contact your personal financial advisor.
