

Lely Horizon

Step by Step registration process

*Future farming
at your fingertips*

Get started with the Lely portal

Just a few steps and you are ready to start with Lely Horizon, your new farm management application for managing your farm and your Lely products. Horizon marks the next step towards a bright future in the automation of your dairy farm.

The first step is to register on the new Lely portal. Here you can manage your Horizon subscription settings and your personal customer information. In this

way, you are always in control. In the letter you received from your Lely Center, you will find your personal login details, and a step-by-step explanation of the

registration process, which will take maximum 10 minutes of your time. Please make sure you have your payment details ready.

After registration, you immediately have access to Lely Horizon on your desktop and on your mobile or tablet: Future farming at your fingertips!

Summary

To register on the Lely portal, go to: www.lelyportal.com/registration or you can scan the QR-code.

If you want to change the language on the Lely portal, you can do that at the bottom left.

When you enter your email address and then click on the **red bar**, you will receive an **email with a verification code** to start your registration in a secure environment. **Enter this verification code** to continue. If you do not find the e-mail in your inbox, we recommend you to check your spam inbox.

For security reasons, you will first be asked to create a **new password** on the **registration page**. Save your chosen new password carefully in order to be able to log in next time.

You will then be asked to fill in your customer number and your personal registration code, which are **provided by your Lely Center**.

By clicking on **NEXT** you will go to the next step.

On this screen, **you will see the information that is already known to Lely**. If necessary, you can change it yourself. If you would like to change the grey blocks, please contact your Lely Center.

For more information regarding VAT, please visit communications.lely.com/horizon/ or contact your financial advisor.

By clicking on the **red button** at the bottom right corner, you will proceed to the product details of your subscription.

During the free trial period, you will be able to use the Horizon Advance subscription free of charge.

In the calculation the costs for Horizon are indicated by an example of 100 lactating cows. The real costs will be based on the real number of lactating cows. This will be shown on your invoice.

You can find the start and end **dates of your free trial period also on this page**.

At the bottom of the page you will be asked to accept the **user agreement by ticking the box**. The user agreement can be downloaded by clicking on the provided link.

Lely offers the new Lely Horizon as a subscription, which is centrally administered and invoiced by Lely International.

We kindly request you to select your payment method and fill in your payment details, in order to facilitate the payment of the monthly subscription fee.

You can find more information about the payment methods and conditions on communications.lely.com/horizon.

By clicking on **SAVE**, you will be taken to the last step.

On this page you will find a **summary of the information** you have entered in the previous steps.

If you have any questions after the registration, you can use the **Help function**  in the top right corner on the Lely portal to see if your answer is there. If not, please contact your local Lely Center.

Congratulations, you can now activate Lely Horizon!

The registration is completed. Your local Lely Center will support you further with the activation of Lely Horizon for your farm.

Visit our website lely.com/horizon to find more information about this new way of managing your farm.

Using Horizon on your mobile device(s)

From this moment on, you can also use the Horizon mobile application that you can download from the app stores. For this, you have to connect ("pair") your mobile app to the application on your desktop by following these steps:

1

First activate and open Lely Horizon at your desktop computer.

2

Download the Lely Horizon app from the app- or play store on your mobile device.

3

Ensure your mobile device is on the same Wi-Fi network as your desktop computer and open the Horizon icon.

4

Choose **AUTOMATIC PAIRING**.

5

The app will ask you to go to your Horizon desktop application and click on: **MANAGE > SOFTWARE > TRUSTED DEVICE**.

and then choose: **START PAIRING**.

6

Your mobile device will appear on your desktop version. Click on **ACCEPT**.

7

The pairing is done when your farm name is popping up on the login screen on the mobile device.

Here you can also use your username and password for Horizon to log into your mobile Horizon app.

In and around Lely Horizon you are supported in many ways via the Help function. Take a moment to learn the main features in a couple of steps by following the tour.

If you have any questions, check the Frequently Asked Questions (FAQ) on the Lely portal or contact your local Lely Center.

**Enjoy using Lely Horizon:
Future farming at your fingertips!**
